About Me

Junior Pentester (**eJPT**, **CPTS**, **PNPT**) with a Master's degree in Theoretical Physics. Expert in AD environments (15 Pro Labs HTB) and development of Python/Bash offensive tools.

Rigorous, autonomous, and results-oriented with 5 validated bug bounties.

Skills

Language & Scripting

Python, Bash, Powershell, SQL

Offensive Tools

Nmap, Burp, Metasploit, Hydra

Methodologies & OS

MITRE ATT&CK, PTES, OWASP Top 10, Report, Linux, AD, Kerberos

Certification

eJPT – eLearnSecurity Junior Penetration Tester
Achieved in 2026

CJCA – eLearnSecurity Junior Penetration Tester
Achieved in 2026

CPTS – Certified Penetration Testing Specialist
Achieved in 2026

PNPT – Practical Network Penetration Tester
Achieved in 2026

Language

English – C1

German – A2

Technical Experience & Offensive Projects

2025–Today

Self-taught Red Team Pentester / Personal Portfolio

- Complex Infrastructure Audit (Labs): Successful operation of more than 45 machines on Hack The Box, including 15 Pro Labs (Active Directory, segmented corporate networks, network pivots).
- Bug Bounty: Identification and reporting of 5 critical/medium vulnerabilities on the HackerOne platform on real-world enterprise perimeters.
- Security Tool Development: Creation and maintenance of AutoPwn.sh, an exploitation automation tool written in Python and Bash, available on GitHub.
- Research & Learning: Completed TryHackMe's Red Team track (Top 4%) and participated in international CTFs with 8 podium finishes (HTB, PicoCTF, RootMe).

April 2024 – May 2024

Internship – Theoretical Physics & Modeling LPTM–Pontoise

- Development: Design of a Python program to simulate the electronic properties of complex materials (graphene).
- Data Analysis: Modeling of quantum states and energy band analysis.
- Professional rigor: Drafting of a detailed technical report and presentation of results to a scientific jury.

Education

Master's First Degree in Theoretical Physics

2024–2025

Cy Cergy Paris Université – Cergy–Pontoise

Bachelor's Degree in Physics and Chemistry

2020–2024

Cy Cergy Paris Université – Cergy–Pontoise

Bachelor of Science

2017 – 2020

Lycée Gustave Monod – Enghien–les–Bains
